

## Up for the Challenge?

---

The University of Saint Mary received a \$400,000 Challenge Grant from the Mabee Foundation supporting the Campus for Tomorrow capital campaign. The challenge grant will help fund USM's new space—the Campus Commons.

The Commons, a \$2 million renovation, includes a revitalized Saint Joseph Dining Hall with its new modern food court, and a state-of-the-art student union connecting Saint Joseph to Mead Hall, where the offices of Student Life, Campus Ministry, Student Success, Campus Counseling, and Career Services will all be housed.

The Mabee Foundation will **match every dollar raised** between now and June 1, 2016 (up to \$400,000).

## How Can I Help?

---

No matter the amount, participation is key from our Saint Mary family.

- Donate at [CampusForTomorrow.com](http://CampusForTomorrow.com) (click "Support").
- Mail a check payable to "USM" (write "Campus for Tomorrow" in the memo line).  
Send to: USM Development Office  
4100 S. 4th Street  
Leavenworth, KS 66048
- Transfer stock, real estate, estate gifts, or other items of value.

## Questions?

---

For more information or to submit a pledge, contact Karolyn Dreiling, vice president for development, at [karolyn.dreiling@stmary.edu](mailto:karolyn.dreiling@stmary.edu) or 913-758-6293.

### About the Mabee Foundation

---

In 1948, Mr. John Mabee and his wife, Lottie, formed the non-profit foundation with its office located in Tulsa, Okla. The purpose was to financially support Christian religious organizations, charitable organizations, institutions of higher learning, hospitals, and other organizations of a general charitable nature, and that purpose lives on.
