

It is with sadness to inform you of the passing of Sr. Mary Vincentia Maronick.

Sr. Mary V, 91, died peacefully at 10:05am today, Dec. 22. She was surrounded by her SCL community, nursing staff, and friends. Sisters Amy Willcott and Ann Loendorf were with her.

SMV wrote that if anyone asked how she wanted to be remembered, to say the following about her. It's a quotation from Estelle Ramey. *"I have loved, and been loved. All the rest is background music."*

Please join Saint Mary especially the Alumni and Development Office in offering condolences to the SCLs, family and friends.

SMV graduated from the college in 1945. She served in a variety of roles including Freshmen Dean before transitioning to the position she held 30+ years - Director of Development. She fostered alumni relations, established our Legacy Society, augmented the Endowed Scholarship program, and created relationships that still exist today.

Thank you for your messages of love and support. I can guarantee that SMV received and enjoyed every single one of them.

I will email again as soon as I receive info about her services.

A handwritten signature in cursive that reads 'Jane Ellen Liebert'.
