APPLICANT: _______________________________________

Please answer the following questions. We urge openness. You may add additional pages if necessary.

In psychology, individuals need to be accepting of personal differences, flexible, sensitive to others’ perspectives and able to work constructively with people. Do you believe that the applicant has these qualities?

Do you perceive this applicant to be responsible and reliable? Is she or he able to set priorities, organize and juggle a variety of tasks (such as work, home life and school)?

(Please complete the next page)
APPLICANT:_______________________________________________

Do you believe that this applicant has the potential to work under supervision, to accept constructive feedback and to communicate and work cooperatively with other professionals?

Is there any additional information that you believe would help us in making an admission decision?
