Main Campus Registration
Leavenworth Campus Registration begins April 16, 2014

Workshop Registration
Registration for workshops is encouraged on the scheduled registration dates. However, registration for workshops is permitted in the Registrar’s Office up to the day of the workshop.
APPLICATION AND ADMISSION
Persons who wish to enroll in a degree program and have not previously attended the University of Saint Mary for credit courses need to submit an application and transcripts of all previous academic work prior to registration. Contact the Admissions Office at (913) 758-6118 for more information.

SPECIAL STUDENT ADMISSION POLICY
Special students, those who are not candidates for a degree, may enroll on a part or full-time basis. The university encourages those who wish to explore new interests, test their abilities, or update their skills to apply as special students. Special students need only submit an application form with a $25 non-refundable processing fee. Transcripts are not required. Special students may enroll for a maximum of 15 hours. Contact the Admissions Office at (913) 758-6118 for additional information.

HEALTH RECORDS
All students are REQUIRED to have an updated health history and immunization record on file with the Health Services Office before receiving on-campus health care. PHYSICAL EXAMINATIONS are REQUIRED for residential students, International students, athletes, and education majors. Proof of medical insurance is REQUIRED for residential and international students. See USM Catalog for more information.

COURSE LOAD & EXCESS HOURS
The normal full-time student load is 14 to 18 hours. The fee for excess hours (over 18 hours) is $410 per credit. The minimum for full-time in the fall and spring term is 12 hours. To carry excess hours, students must have the approval of their academic advisors and the academic dean.

PASS/FAIL
All internships, practicums, and weekend workshops are graded Pass (P) or Fail (F), unless noted otherwise on the course syllabus. See USM Catalog for more information.

AUDIT
Students enrolling for audit must do so during the registration period; students will pay full tuition and fees for audit. Complete records and transcripts will be maintained, although no credit hours are awarded. Approval for audit and the extent of class participation should be determined with the instructor prior to enrollment.

MUSIC LESSONS
Students enrolling for private or group lessons should submit their schedule to the music department immediately after enrollment so that times for lessons can be assigned. It is the student’s responsibility to finalize her/his enrollment with the music department. Music fees are in addition to per credit hour tuition.

CHANGE OF ENROLLMENT
Courses may be added with approval of advisor, without charge through August 27. No 16 week classes may be added after August 27. All changes in enrollment must go through the Registrar’s Office. All changes made by an athlete must also have the approval of the faculty athletic advisor and the athletes coach. Failing to attend class without official withdrawing will result in failure of the course. Official withdrawals from the university are processed through the Office of Student Success.

VETERANS
Persons applying for VA education benefits through the Veterans Administration must fill out a form requesting certification. Veterans new to the University of Saint Mary must submit VA form 22-1995 (request for change of program or place of training) or VA form 22-1990 (application for education benefits) along with request for certification prior to or at the time of enrollment. These forms are available in the Registrar’s Office. If advanced payment is desired, or questions arise, please contact the campus VA coordinator at (913) 758-6121.

INTERNATIONAL STUDENTS
This university is authorized under federal law to enroll non-immigrant students. Students who are citizens of other countries must present their passports, I-94 forms, and I-20 forms at registration. All admissions procedures must be completed before the I-20 is issued to the student and she/he is permitted to enroll.
CLASS CANCELLATION DUE TO WEATHER
If you have concerns that a class might not meet because of weather, tune in to local radio and television stations. Students, Staff and Faculty may also sign up to receive text alerts should classes be canceled due to weather (Text Alerts also include other pertinent USM info). The decision to cancel classes will be made by 3 p.m. for evening classes or 7 a.m. for day classes on the day the class is scheduled to meet. Call (913) 758-6300, for a recorded message regarding snow schedule and cancellation of classes.

WINTER WEATHER LATE OPENING POLICY
If snow and ice make driving hazardous, classes will begin on a snow schedule that should enable students to avoid early morning traffic. On the snow schedule, classes usually in session at 9:30 a.m. will be the first classes of the day. If it appears that driving conditions will be impossible for the entire day, then all day classes will be cancelled. The university will make a decision about the cancellation of evening classes during the afternoon of a winter day.

FINANCIAL AID AVAILABLE
Financial assistance is available for those who qualify. Forms of assistance include grants, scholarships, student employment, and loans. Before receiving financial assistance, students must have applied and been accepted for admission to the University of Saint Mary and ordinarily must be taking a minimum of six credit hours per semester. Outside sources of financial aid should also be investigated by students. For additional information, contact the Financial Aid Office, at (913) 682-5151, ext. 6450.
UNIVERSITY EXPENSES

The University of Saint Mary is a private institution. The tuition a student pays covers approximately forty-nine percent of the cost of a University of Saint Mary education. Private gifts meet the difference between the actual cost and the tuition charges. Parents who are able to contribute to the university’s educational mission are encouraged to do so by participating in the annual giving program.

INITIAL CHARGES AND PAYMENT SCHEDULE

An initial application fee of $25 is required for all new applicants for admission. This payment is not refundable. An advance non-refundable tuition deposit of $100 is required of all full-time students offered admission and is credited to the first semester’s tuition.

All charges assessed by the University of Saint Mary (tuition, room, board, and applicable fees) are due and payable before completion of enrollment and before admittance to class. The initial payment covering the first five months of the academic year is due at the beginning of the fall semester; the payment for spring is due at the beginning of the spring semester. See TUITION AND FEES PAYMENT.
**TUITION & FEES PER SEMESTER 2014-2015**

All tuition and fees are due and payable at registration. The Trustees of the University reserve the right to change tuition and fee rates whenever necessary.

- Complete all requirements and be approved for Financial Aid. Balances greater than approved financial aid are due at registration: Financial Aid for classes taken in the second 8 week session of the semester, or workshops taken late in the semester, will not be applied until those classes start. Aid includes:
  - University of Saint Mary scholarships
  - Federal or State grants
  - Federal Stafford, Perkins, or Plus loans
  - Alternative loans
  - Present letter of authorization from a third party payer who will pay directly to the university. The university will bill the third party directly. The student is responsible for payment at registration if the third party makes payment to the student rather than the university. All tuition and fees in excess of the documented amount are due at registration. Third party documentation must include:
    - Student’s name
    - Term or classes approved for payment
    - Amount approved
    - Third party billing and contact information
  - Request an Employer Reimbursement Deferment. A formal agreement must be signed by the student and approved by the university before the deferment of payment arrangement becomes valid. Documentation from the student’s employer stating the term or class(es) and the amount approved must accompany the agreement. A non-refundable fee of $50 per term will be due at the time of application. All tuition and fees in excess of the documented employer commitment are due at registration. Valid credit card information will be required and will be charged if payment is not received. A $75 late fee will apply if payment is not received before the agreement has expired or if the credit card information is not valid.

Students under the Montgomery GI Bill must pay at registration. Students under the Post-9/11 GI Bill must present an approved certification to the Registrar and the Business Office prior to classes starting.

Students awarded Federal Work Study may apply net earnings toward their student account. Balances greater than the work study award is due at registration. Net pay after applicable taxes for hours worked will be credited to the student’s account up to the award amount. Any outstanding student balance is due by the student by the end of the term.

Students may be administratively withdrawn for non-payment.

Semester charges are payable at registration and must be received by the first day of the semester, not the first day of your class. A late payment fee will be assessed on outstanding balances after the start of the semester unless the student is enrolled in a payment plan or has satisfied the requirements for a third party payer or employer deferment. The late fee will be $75 per month for each month the balance remains outstanding.
Failure to satisfy the payment policy will result in all of the following actions:
- A financial hold placed on your account.
- Transcripts, diplomas, or certifications withheld.
- Registration for classes or change of class schedules prevented.

Should payment not be made when due or in the event of payment default after withdrawal, the student is responsible for interest, late charges and collection costs, including reasonable attorney fees, if applicable. All credit extended to the student shall be considered an educational loan and may not be discharged by bankruptcy as defined by bankruptcy laws under §523(a)(8).

By registering for classes, students acknowledge and agree to this policy.

Refund Policy
1. It is the student's responsibility to formally notify the Registrar's Office and to follow proper procedures when withdrawing. Failure to pay fees, failure to receive financial aid, failure to attend class or refusing financial aid does not constitute an official withdrawal.

2. The amount of tuition refund will be based on the official withdrawal date, not attendance. The official withdrawal date is the date the formal withdrawal notice is approved by the student's advisor, as determined by records maintained in the Registrar's Office. The refund time periods commence with the first day of classes according to the academic calendar and not the beginning date of individual courses.

3. Rooms are rented for the semester. The Dean of Student Life will decide if circumstances of breaking the rental contract warrant a refund.
4. Refund of board will be computed from the beginning of the second week after withdrawal.
5. Advance room deposits are not refunded.
6. Advance tuition deposits are not refunded.
7. Course and other fees are not refunded.
8. Tuition is refunded in full for workshops that have been dropped at least three business days prior to the date of the workshop. There are no partial refunds for withdrawals after that time, nor for nonattendance.

FEDERAL (TITLE IV AID) REFUND POLICY
Federal regulations require the use of the Return of Title IV Funds Policy to be used for all students receiving any type of federal aid when calculating the aid a student can retain after withdrawing. This policy relates to Federal Pell and FSEOG Grants, as well as Federal Perkins, Federal Direct Stafford and Federal Direct PLUS loans. The same policy will be used for State and institutional aid.

Title IV regulations govern the return of aid disbursed for a student who completely withdraws from a term or semester. During the first 60% of the term or semester, a student "earns" aid in direct proportion to the length of time the student remains enrolled. A student who remains enrolled beyond the 60% point earns all aid for that period.

The Financial Aid & Consumer Information Handbook contains information about USM’s financial aid programs and policies. It also includes consumer information required by the U.S. Department of Education. It is available online at http://www.stmary.edu/Admissions/Financial-Aid.aspx
