**Please join the University of Saint Mary especially the Office of Alumni Relations and Development in offering prayers of support to Sr. Mary Vincentia Maronick, who recently entered Hospice.**

Sr. Mary V is a pioneer. She graduated from the college in 1945, served in a variety of roles including Freshmen Dean before transitioning to the position she held for over 30 years - Director of Development. She fostered alumni relations, created the Legacy Society, augmented the Endowed Named Scholarship program, and raised **A LOT** of annual and capital money to further the mission of Saint Mary.

Sr. Mary V is unable to receive visits or phone calls. She is very weak. We are honored to deliver your messages of love, support, and prayers. Please email Jane Ellen Liebert, C'97, Alumni & Planned Giving Officer, [jane.liebert@stmary.edu](mailto:jane.liebert@stmary.edu).

Join us as we accompany SMV on her journey home.
