**University of Saint Mary Spire Games:
Fun With a Great Cause**

Members of the Leavenworth and Lansing community smiled and cheered and maybe even broke a sweat while playing at McGilley Field House Saturday, April 30 during the third annual University of Saint Mary Spire Games. While rain forced most of the games indoors, the community still gathered to support the Leavenworth area's only four-year institution.

Left: Rodney Bliss attempts to tag a runner out during one of the most popular games, "Angels in the Outfield," while his teammates observe. Childcare (**right**) was provided for the youngsters that attended, and even Spiro, the USM mascot, dropped by for a special appearance.
