## University of Saint Mary Class of 2005

(Leavenworth, Kan.)— As part of the culmination of a day-long celebration, the 246 graduates of the University of Saint Mary Class of 2005 received the fruits of their hard work, as they graduated at 1 p.m. Saturday, May 14 in McGilley Field House. The historic class becomes the second to graduate from the new era of education at the University of Saint Mary. Graduates have received degrees at Saint Mary since 1923, when the school was known as Saint Mary College. Saint Mary College expanded to meet the demands of the 21<sup>st</sup> century student, becoming the University of Saint Mary in July 2003.

The 2005 commencement ceremony was also the first-ever held in McGilley Field House. Traditionally commencement has been housed in Ryan Sports Center. Completed in the summer of 2004, McGilley Field House's state-of-the-art construction offers better acoustics and greater seating capacity (approximately eight to 10 more guests per graduate) than Ryan Sports Center.

Of the 246 members Class of 2005, 98 received bachelor's degrees and 148 received master's degrees. Their names are as follows:
