University of Saint Mary Spring 2005 Dean's List

(Leavenworth, Kan.)— The University of Saint Mary has announced that 108 students have been named to the Academic Dean's List for the spring 2005 semester. To qualify for the Dean's List, students must post a 3.5 grade point average or better for the entire semester.

Vice President and Academic Dean, Sandra Van Hoose, Ph.D., rewards students for their hard work each semester. She said it's her privilege and honor to recognize this group in particular. "The dedication and effort these students put forth is just amazing," she said. "They earned the right to be on the Dean's List."

With seven more students on the list for the spring than in the fall, Van Hoose also hopes more and more students will aspire to be like their friends and peers.
