(Leavenworth, Kan.)— The University of Saint Mary has inducted George “Tab” Medill, a 2002 graduate and former Saint Mary soccer player into its Athletic Hall of Fame. He was inducted on Saturday Feb. 2 at a ceremony in the Ryan Sports Center between the Spires women’s and men’s basketball games.

Medill played soccer for two years at Saint Mary. He led the team to KCAC championships in 2000 and 2001, was First Team All KCAC in 2000 and 2001, KCAC Offensive Player of the Year in 2001, First Team NAIA All-Region in 2000 and 2001, and NAIA All-American Honorable Mention in 2000 and 2001.

“It’s quite an honor to get this recognition,” said Medill. “It was special being part of a team that won two championships.”

Medill graduated from Leavenworth High School in 1998. George majored in accounting and business administration at Saint Mary and graduated Cum Laude in 2002. He is an internal review officer in the business office at Fort Leavenworth. He and his wife, Kim, have two children and live in Lansing.

The USM Hall of Fame, located at the Ryan Sports Center, has inducted ten graduates since its inception in 1999.
