(Leavenworth, Kan.)— The annual University of Saint Mary concert by the Goldenberg Duo has been rescheduled for Monday, February 25 at 10:20 a.m. in the Mead Hall Walnut Room at 4100 South 4th Street in Leavenworth, Kan. The concert had originally been scheduled for Tuesday, Feb. 26th but had to be moved up a day to accommodate a rehearsal schedule conflict with the Kansas City Symphony.

Susan Goldenberg is in her 26th year with the Kansas City Symphony while William is Distinguished Professor of Piano and Chair of Keyboard and Chamber Music Studies at the University of Northern Illinois. Their program at Saint Mary will include works by Glazunov and Schubert as well as ragtime compositions by Joplin and Bolcom. They will be joined by baritone Dr. William Krusemark, USM Professor of Music, in an aria from Bach's "St. Matthew's Passion."

The public is cordially invited to attend this free concert and area music teachers are encouraged to attend with their students. For more information please contact Dr. William Krusemark at krusemarkw@stmary.edu or call (913) 682-5151 ext. 6460.
