University of Saint Mary Overland Park Campus Kicks off Monthly 'First Tuesday' Q&A Info Sessions *5-7 p.m. Tuesday, April 7, 2009*

(Leavenworth, Kan.)— The University of Saint Mary is launching a new monthly program of Q&A Sessions at its Overland Park Campus, 11413 Pflumm Road, from 5-7 p.m. on the first Tuesday of every month. The first session is slated for April 7.

Attendees can learn about USM's flexible accelerated undergraduate degree-completion programs and its graduate offerings in business, education, and psychology. Prospective students will also be able to speak with a counselor about financial aid options and meet with the faculty program director who will be working with them individually.

"We know that with adult learners, there are many variables that impact their decision to return to school and one of those variables is time," said Dr. Jill Hackett, vice president for extended sites. "We want to make the process as convenient as possible for them to get the information they need to make a decision about returning to school."

USM's degree-completion and graduate programs are designed with the busy working professional in mind. Most classes meet one night a week over eight-week sessions.

Evening classes are offered at the Overland Park Campus and Shawnee Kansas City, Kan. locations. The Master of Arts in Education program is also offered at the main campus in Leavenworth.

Registration for the Q&A Session is recommended. Call (913) 319-3003 or visit www.stmary.edu/info to register or for more information.
