University of Saint Mary Overland Park Campus To Hold Information Session *6 p.m. Tuesday, Dec. 1*

(Leavenworth, Kan.)—The University of Saint Mary will hold an Information Session at its Overland Park Campus, 11413 Pflumm Road, from 6-7:30 p.m. on Tuesday, Dec. 1. Attendees will get the chance to learn about USM’s new evening RN-to-BSN program as well as the university’s accelerated undergraduate degree-completion programs and its graduate programs in business, education, and psychology.

Prospective students will also be able to speak with a counselor about financial aid options — an increasingly important factor in selecting a degree program in the current economic climate. Some form of financial aid is available to the majority of students, and USM helps direct degree-completion and graduate students to a variety of funding sources.

Attendees will also be able to meet with the faculty program director who will be working with them individually.

USM’s degree-completion and graduate programs are designed with the busy working professional in mind. Most classes meet one night a week over 8-week sessions, said Dr. Jill Hackett, USM’s vice president for extended sites. “We provide a value-centered, quality education at a very reasonable cost,” she added.

The new evening RN-to-BSN offering, launched in August, has to date proven to be a popular option for working nurses looking to advance their education and improve their employment opportunities, Hackett said.

“Our main campus and online nursing programs have been extremely popular and successful,” Hackett said. “This new program is one more way students can enjoy the benefits of our quality BSN program in an evening, accelerated format.”

Evening classes are offered at four convenient locations in Overland Park, Shawnee, Leavenworth, and Kansas City, Kan.

Registration for the Information Session is recommended. Call 1-888-709-2323 or visit www.stmary.edu/info for more information.
