University of Saint Mary Overland Park Campus To Hold Evening Information Session *6 p.m. Tuesday, June 8*

(Leavenworth, Kan.)—The University of Saint Mary will hold a free Information Session at its Overland Park Campus, 11413 Pflumm Road, from 6-7:30 p.m. on Tuesday, June 8. Attendees will get the chance to learn about USM’s new MBA concentration in marketing and advertising management and the other accelerated undergraduate degree-completion programs and graduate programs in business, education, nursing, and psychology.

Prospective students will also be able to speak with a counselor about financial aid options — an increasingly important factor in selecting a degree program in the current economic climate. Some form of financial aid is available to the majority of students, and USM helps direct degree-completion and graduate students to a variety of funding sources.

Info Session attendees will also be able to meet with the faculty program director who will be working with them individually.

“We care about our students and to some extent, we become something similar to an academic family. That’s something you would not find at many large institutions,” said Dr. Les Hemphill, director of graduate psychology programs.

USM’s degree-completion and graduate programs are designed with the busy working professional in mind. Most classes meet one night a week over 8-week sessions. Evening classes are offered at four convenient locations in Overland Park, Shawnee, Leavenworth, and Kansas City, Kan.

“In this challenging job market, now is the perfect time to retool and consider returning to school,” said Brandon Johnson, director of enrollment management.

Registration for the Information Session is recommended. Call (913) 345-8288 or visit www.stmary.edu/success for more information.
