University of Saint Mary Overland Park Campus To Hold Evening Information Session *6 p.m. Tuesday, Sept. 28*

(Leavenworth, Kan.)—The University of Saint Mary will hold a free Information Session at its Overland Park Campus, 11413 Pflumm Road, from 6-7:30 p.m. on Tuesday, Sept. 28.

Attendees will get the chance to learn about USM's five graduate programs—including the Saint Mary MBA with its new marketing and advertising management concentration, as well as USM's master's offerings in education and psychology. USM also offers undergraduate degree-completion and an RN-to-Bachelor of Science in Nursing program at the Overland Park Campus.

Prospective students will have the opportunity to talk with a counselor about financial aid and payment plan options—an increasingly important factor in selecting a degree program in the current economic climate. Some form of financial aid is available to the majority of students, and USM helps direct degree-completion and graduate students to a variety of funding sources.

Info Session attendees will also be able to meet with the faculty program director who will be working with students individually.

“USM offers an environment well-suited to the busy working professional looking to advance their education and their careers,” said Dr. Ron Logan, USM's business department chair. “Our staff is very focused on our students. They're great about figuring out what our students need to excel.”

Accelerated classes for working professionals meet one night a week over eight-week sessions. Evening classes are offered at three convenient locations in Overland Park, Leavenworth, and Kansas City, Kan.

Registration for the Information Session is recommended. Call (913) 345-8288 or visit www.stmary.edu/success to register or for more information.

The University of Saint Mary is a Catholic co-educational applied liberal arts university founded and sponsored by the Sisters of Charity of Leavenworth. The University of Saint Mary is located at 4100 South 4th Street, Leavenworth, Kan., with additional locations in Overland Park and Kansas City, Kan. Visit www.stmary.edu for more information.
