USM Overland Park Campus Holds Power Lunch MBA Info Session Geared Toward Working Professionals

Noon Thursday, Dec. 2

(Overland Park, KS)—The University of Saint Mary is hosting a lunchtime information session on the university's well-respected MBA program from noon to 12:45 p.m. Thursday, Dec. 2, at its Overland Park Campus, 11413 Pflumm Road.

The session is targeted at busy working professionals looking to fast-track their careers and advance their education with USM's accelerated MBA program. The session will last about 40 minutes, and is designed so attendees can return to their jobs within an hour.

Visit www.stmary.edu/success to learn more or to register for the lunchtime info session.

Besides being treated to a free, gourmet boxed lunch, attendees will learn about the many benefits of USM's accelerated evening MBA program, which is offered in five concentrations: health care management, finance, human resource management, general management, and the new marketing & advertising management path. The USM MBA is built around a flexible course design, features classes that meet one night a week for eight weeks, and is taught by skilled professors who bring both academic knowledge and real-world experience to the classroom.

Students can earn their MBA in as little as one year.

The University of Saint Mary has received specialized accreditation for its business and business-related programs (including the Master of Business Administration) through the International Assembly for Collegiate Business Education (IACBE), Olathe, Kan.

The lunchtime session will offer details about USM's competitively-priced and highly flexible program. Elizabeth Garza Lang, assistant professor and coordinator of business programs, will lead the discussion. Attendees will also hear from an MBA graduate or current student and a financial aid counselor who will discuss loans and payment plans.

"Busy working professionals are short on time as it is," Garza-Lang said. "This quick and convenient Lunchtime MBA Info Session will allow prospective students to lunch and learn about the MBA program at the University of Saint Mary Overland Park Campus, and how best to advance their careers—all before their lunch hour is up."

Registration for the lunch info session is recommended. Call (913) 345-8288 or visit www.stmary.edu/success for more information.
