## University of Saint Mary Overland Park Campus To Hold Evening Information Session *6 p.m. Monday, Dec. 6*

(Leavenworth, Kan.)—The University of Saint Mary will hold a free Information Session at its Overland Park Campus, 11413 Pflumm Road, from 6-7:30 p.m. on Monday, Dec. 6.

Attendees will get the chance to learn about USM's six graduate programs—including the Saint Mary MBA with its new marketing and advertising management concentration, as well as USM's master's offerings in education and psychology. USM also offers undergraduate degree-completion programs that include an RN-to-Bachelor of Science in Nursing at the university's Overland Park Campus.

USM's information sessions provide prospective students with the chance to talk with the faculty program directors who will be working with them individually as they advance their educations and their careers.

Attendees will also have the opportunity to speak with a counselor about financial aid and payment plan options—an increasingly important factor in selecting a degree program in the current economic climate. Some form of financial aid is available to the majority of students, and USM helps direct degree-completion and graduate students to a variety of funding sources.

"We have a small, very welcoming environment," said USM Degree-Completion Program Advisor Pat Howard. "Because classes are smaller, students get more individual attention, so they do well."

Accelerated classes for busy working professionals meet one night a week over eight-week sessions. Evening classes are offered at convenient locations in Overland Park, Leavenworth, and Kansas City, Kan.

Registration for the Information Session is recommended. Call (913) 345-8288 or visit [www.stmary.edu/success](http://www.stmary.edu/success) to register or for more information.
