### USM Overland Park Campus to Hold Evening Information Session, Featuring iPad2 Giveaway *6 p.m. Tuesday, June 7*

(Leavenworth, Kan.)—The University of Saint Mary will hold a free Information Session at its Overland Park Campus, 11413 Pflumm Road, from 6-7:30 p.m. on Tuesday, June 7, giving attendees the chance to learn about USM’s graduate and undergraduate degree-completion programs.

Attendees will also have their names entered in a random drawing for an iPad2—the latest version of the hottest, must-have tablet computer. The winner must be present at the time of the drawing. Visit [www.stmary.edu/success](http://www.stmary.edu/success) to learn more about the iPad2 giveaway or to register for the evening info session.

USM’s information sessions provide prospective students with the chance to talk with the respective faculty program directors who will be working with them individually as they advance their educations and their careers. At the Overland Park Campus, USM offers four graduate programs—including the Saint Mary MBA that is now available in a flexible format either in face-to-face evening classes, online, or a combination of both for your convenience. The USM Overland Park Campus also offers graduate programs in education and psychology, in addition to five different undergraduate degree-completion programs. Additional online programs include a Master of Arts in Teaching and an RN to Bachelor of Science in Nursing.

Attendees will also have the opportunity to speak with a counselor about financial aid and payment plan options—an increasingly important factor in selecting a degree program in the current economic climate. Some form of financial aid is available to the majority of students, and USM helps direct degree-completion and graduate students to a variety of funding sources.

“USM’s Overland Park Campus provides the perfect environment for those looking to advance their degrees,” said USM Degree-Completion Advisor Pat Howard. “It’s a welcoming campus, and because classes are smaller, students get more individual attention, so they excel.”

Accelerated classes for busy working professionals meet one night a week over eight-week sessions. Evening classes are offered in Overland Park, Leavenworth, and Kansas City, Kan.

Call (913) 345-8288 or visit [www.stmary.edu/success](http://www.stmary.edu/success) to register or for more information.
