### **Main Campus Registration**

Leavenworth Campus Freshmen Registration and New Student Orientation, August 20, 2011, 9:00 a.m. - 1:00 p.m.  
 Leavenworth Campus Transfer Student Registration and New Student Orientation, August 23, 2011, 9:00 a.m. - 1:00 p.m.  
 Leavenworth Campus Returning Student Registration, August 24, 2011, 9:00 a.m. - 1:00 p.m.

**Main Campus Late Registration:** Registration after August 24, 2011 is considered late registration. Students enrolling late risk class cancellations or closure. Students will be assessed a \$50 late registration fee.

### **Workshop Registration**

Registration for workshops is encouraged on the scheduled registration dates. However, registration for workshops is permitted in the Registrar's Office up to ONE WEEK before the beginning date of the workshop.

**APPLICATION AND ADMISSION**

Persons who wish to enroll in a degree program and have not previously attended the University of Saint Mary for credit courses need to submit an application and transcripts of all previous academic work prior to registration. Contact the Admissions Office at (913) 758-6118 for more information.

**SPECIAL STUDENT ADMISSION POLICY**

Special students, those who are not candidates for a degree, may enroll on a part or full-time basis. The university encourages those who wish to explore new interests, test their abilities, or update their skills to apply as special students. Special students need only submit an application form with a \$25 non-refundable processing fee. Transcripts are not required. Special students may enroll for a maximum of 15 hours. Contact the Admissions Office at (913) 758-6118 for additional information.

**HEALTH RECORDS**

All students are **REQUIRED** to have an updated health history and immunization record on file with the Health Services Office before receiving on-campus health care. **PHYSICAL EXAMINATIONS** are **REQUIRED** for residential students, International students, athletes, and education majors. Proof of medical insurance is **REQUIRED** for residential and international students. See USM Catalog for more information.

**COURSE LOAD & EXCESS HOURS**

The normal full-time student load is 14 to 18 hours. The fee for excess hours (over 18 hours) is \$390 per credit. The minimum for full-time in the fall and spring term is 12 hours. To carry excess hours, students must have the approval of their academic advisors and the academic dean.

**PASS/FAIL**

All internships, practicums, and weekend workshops are graded Pass (P) or Fail (F). This is **NOT** an option and is not used for other courses. See USM Catalog for more information.

**AUDIT**

Students enrolling for audit must do so during the registration period; students will pay full tuition and fees for audit. Complete records and transcripts will be maintained, although no credit hours are awarded. Approval for audit and the extent of class participation should be determined with the instructor prior to enrollment.

**MUSIC LESSONS**

Students enrolling for private or group lessons should submit their schedule to the music department immediately after enrollment so that times for lessons can be assigned. It is the student's responsibility to finalize her/his enrollment with the music department. All enrollments finalized after September 8 will be assessed the late change of enrollment fee of \$5. Music fees are in addition to per credit hour tuition.

**CHANGE OF ENROLLMENT**

Courses may be added with approval of advisor, without charge through September 1. No classes may be added after September 1. Courses may be dropped without charge, with approval of advisor through September 8. After that time, a \$5 fee is charged for each withdrawal. All changes in enrollment must go through the Registrar's Office. All changes made by an athlete must also have the approval of the faculty athletic advisor and the athletic department representative. Failure to attend class does not constitute official withdrawal; a student failing to attend class without official withdrawal will receive a failure in the course. Official withdrawals from the university are processed through the Office of the Academic Vice President.

**VETERANS**

Persons applying for VA education benefits through the Veterans Administration must fill out a form requesting certification. Veterans new to the University of Saint Mary must submit VA form 22-1995 (request for change of program or place of training) or VA form 22-1990 (application for education benefits) along with request for certification prior to or at the time of enrollment. These forms are available in the Registrar's Office. If advanced payment is desired, or questions arise, please contact the campus VA coordinator at (913) 758-6121.

## INTERNATIONAL STUDENTS

Page 5

This university is authorized under federal law to enroll non-immigrant students. Students who are citizens of other countries must present their passports, I-94 forms, and I-20 forms at registration. All admissions procedures must be completed before the I-20 is issued to the student and she/he is permitted to enroll.

## CLASS CANCELLATION DUE TO WEATHER

It is impossible to contact each person individually; if you have concerns that a class might not meet because of weather, tune in to local radio and television stations. The decision to cancel classes will be made by 3 p.m. for evening classes or 7 a.m. for day classes on the day the class is scheduled to meet. Call (913) 758-6300, for a recorded message regarding snow schedule and cancellation of classes.

## WINTER WEATHER LATE OPENING POLICY

If snow and ice make driving hazardous, classes will begin on a snow schedule that should enable students to avoid early morning traffic. On the snow schedule, classes usually in session at 9:30 a.m. will be the first classes of the day. If it appears that driving conditions will be impossible for the entire day, then all day classes will be cancelled. The university will make a decision about the cancellation of evening classes during the afternoon of a winter day.

## FINANCIAL AID AVAILABLE

Financial assistance is available for those who qualify. Forms of assistance include grants, scholarships, student employment, and loans. Before receiving financial assistance, students must have applied and been accepted for admission to the University of Saint Mary and ordinarily must be taking a minimum of six credit hours per semester. Outside sources of financial aid should also be investigated by students. For additional information, contact the Financial Aid Office, at (913) 682-5151, ext. 6450.

The University of Saint Mary maintains a non-discriminatory policy in the administration of all its educational policies, admissions policies, school and loan programs, athletic and other school-sponsored programs, and all hiring and promotion practices.

The university reserves the right to change course offerings, regulations and tuition/fees noted in this bulletin.

The average projected graduation rate for students who enter the University of Saint Mary Leavenworth campus program as full-time freshmen is 38%.

The University of Saint Mary is a private, coeducational, Catholic, liberal arts school offering day, evening, and weekend programs for working adults and traditional age university students. The university was founded by the Sisters of Charity of Leavenworth, who believe in helping students live lives of learning, service, and character.

Day program offerings on the main campus enable students to work toward bachelor's degrees in accounting, art, biology, biomedical sciences, business administration, chemistry, clinical laboratory science, criminology, education, English, global studies, healthcare informatics, history, information technology, interdisciplinary studies, liberal studies, mathematics, nursing, pastoral ministry, political science, psychology, sports management, theatre, and theology or toward an associate's degree in liberal studies.

Through its Center for Graduate & Continuing Studies, the University of Saint Mary offers graduate, bachelors degree completion and community education programs. These offerings are available through the home campus in Leavenworth, in conjunction with Providence Medical Center at 8929 Parallel Parkway in Kansas City, Kansas and at its Overland Park, Kansas facility located at 11413 Pflumm Road. Programs are also offered at locations throughout the region, on an as needed basis. The Master of Arts in Teaching is available worldwide through distance learning.

The University of Saint Mary strives to provide activities and programs geared toward developing the whole person, not just the intellect. For that reason, a full range of recreational, social, spiritual, intellectual and physical programs and services at the University include financial aid, academic and career counseling, internships, campus ministry, cultural programs, and lecturers.

De Paul Library, located on the main campus in Leavenworth, houses over 120,000 volumes; its Special Collections include the Craig Collection of Sacred Scripture, the Bernard Hall Lincoln Collection, the Shakespeare Collection and the Kansas Collection of Primary Materials on the State and on the History of the Catholic Church in Kansas.

The University of Saint Mary is a member of the National Association of Intercollegiate Athletics (NAIA) Division II, and competes in the Kansas Collegiate Athletic Conference. The Spires represent the University of Saint Mary by competing in six sports and fielding eight teams. Both men and women participate in basketball and soccer; women field teams in softball and volleyball; men field teams in football and baseball.
