Refund Policy

1. Tuition will be refunded in compliance with federal guidelines. The amount of tuition refund will be based on the official withdrawal date, not attendance. The official withdrawal date is the date the student initiates the formal withdrawal notice. If the student does not formally withdraw, the withdrawal date will be the midpoint of the semester. The withdrawal date may be after the midpoint of the semester based on the student's last date of attendance at an academically-related activity after the midpoint of the semester. The withdrawal date will be determined according to the records maintained in the Registrar's Office. The time periods commence with the first day of classes according to the academic calendar and not the beginning date of the individual courses.

Eight-Week Courses

Withdrawal prior to the semester start date and 1 through 6 calendar days	100%
Withdrawal 7 through 13 calendar days	90%
Withdrawal 14 through 20 calendar days	50%
Withdrawal 21 through 27 calendar days	25%

15 and 16 Week Courses

Withdrawal prior to the semester start date and 1 through 6 calendar days	100%
Withdrawal 7 through 13 calendar days	90%
Withdrawal 14 through 27 calendar days	50%
Withdrawal 28 through 55 calendar days	25%

2. Rooms are rented for the semester. The Dean of Student Life will decide if circumstances of breaking the rental contract warrant a refund.
3. Refund of board will be computed from the beginning of the second week after withdrawal.
4. Advance room deposits are not refunded.
5. Advance tuition deposits are not refunded.
5. Course and other fees are not refunded.

FEDERAL (TITLE IV AID) REFUND POLICY

Federal regulations require the use of the Return of Title IV Funds Policy to be used for all students receiving any type of federal aid when calculating the aid a student can retain after withdrawing. This policy relates to Federal Pell, ACG, SMART, and SEOG Grants, as well as Federal Perkins, Stafford and PLUS loans. The same policy will be used for State and institutional aid.

Title IV regulations govern the return of aid disbursed for a student who completely withdraws from a term or semester. During the first 60% of the term or semester, a student "earns" aid in direct proportion to the length of time the student remains enrolled. A student who remains enrolled beyond the 60% point earns all aid for that period.
